

**REMARKS**

Claims 1-39 are pending in this application. Claims 1-27 have been rejected under 35 U.S.C. § 101 as being directed to non-statutory subject matter. Claims 1-39 have been rejected on the grounds of non-statutory obviousness-type double patenting as being unpatentable over claims 1-45 of U.S. Pat. No. 6,691,280.

Initially the undersigned would like to thank Examiner Hartman for his time discussing the above § 101 rejection. By this Amendment, Applicants have amended independent claims 1 and 19, and thus dependent claims 2-18 and 20-27, replacing the word "displayable" with the word "adapted for display." Applicants submit that these claims now define statutory subject matter.

Applicants also submit herewith a Terminal Disclaimer disclaiming the terminal part of any term of any patent granted on this application which would extend beyond the expiration date of the full statutory term of prior patent 6,691,280.

In view of the foregoing, Applicants respectfully submit that the pending application is in condition for allowance. Should the Examiner wish to discuss the foregoing, or any matter of form or procedure in an effort to advance this application to allowance, he is urged to contact the undersigned attorney.

Dated: October 12, 2006

Respectfully submitted,

By
